

## COVID-19 Pricing Transparency & Information

If you need a COVID-19 diagnostic test, you may be curious about what a test will cost you. To help you determine what you can expect to pay, we publish our COVID-19 diagnostic test price list online in accordance with provisions in the CARES Act.

### Important Facts to Keep in Mind

- If you have insurance, please note that many insurance plans cover COVID-19 diagnostic testing at no cost to you.
- The actual price you pay will likely be lower than the price listed on this page because prices listed do not take into account insurance coverage, self-pay discount or other financial assistance.
- COVID-19 diagnostic testing options are rapidly evolving, and therefore tests and prices are subject to change. Our published price list is accurate as of 1/01/2023
